

Jamaica Bearings Company

ISO9001 Certified / AC 0056 / AS 9120

Bearings / Value-Added Bearing Design and Engineering

Industries Served

Aerospace

- > Largest supplier of bearings to major airlines and MRO'S
- > Inventory programs, including JIT and Kitting
- > Boeing D1-4426 authorized distributor
- > Airframe, Engine and Accessory Bearings for all commercial and military applications
- > "EPIC" Material Management and Inventory Programs
- > Value added engineering and alternate product/ source development

Rail and Transit

- > Largest aftermarket bearing distributor to rail industry
- > Factory trained engineers
- > Largest inventory in US

Government

- > Largest bearing distributor to the US Government
- > Full library of NSN data and military drawings
- > Extensive knowledge of government specifications
- > Direct Vendor Delivery (DVD) & Performance Based Logistics Contracts (PBL)
- > OEM License & teaming agreements

Industrial

- > Full Service Programs
- Procurement Management
- Predictive Maintenance
- Customized Inventory Management

Export

- > Ocean packaging available
- > Full EDI capability
- > EFT
- > Language translation
- > Export License Capability

Jamaica Aerospace Company

AC00-56 / ASA 100

Sealing Solutions and Kitting

Industries Served

Aerospace

- > Support most of world's leading airlines and MRO's
- > Sales offices in US, UK and Singapore
- > Airframe, Engine and Accessory Seals and related products for all commercial and military applications
- > "EPIC" Material Management and Inventory Programs
- > Value added engineering and alternate product/ source development

Government

- > Leading distributor to Government
- > Both direct and Industrial Prime Vendor (IPV) programs
- > Experience supporting multi-year contracts
- > Direct Vendor Delivery (DVD) & Performance Based Logistics Contracts

Kitting

- > Fully customized
- > Place material in usable form on the "floor"
- > Keep mechanics on the job
- > Less paperwork
- > Line item certs if required
- > Available kits
 - Scheduled Check Kits (A,B,C,D)
 - Landing Gear Kit (Overhaul, Repack)
 - Engine Kits (Overhauls, QEC, Accessory)
 - LRU
 - Filter Kits
 - O-ring Kits
 - Hose Kits (Flyaway)
 - Installation Kits

Precision Products Division

ISO 9001 / AS 9100 Compliant

Precision Bearing relubrication and Certification

Industries Served

Medical

- > Major worldwide supplier to medical equipment manufacturers
- > Diagnostic equipment, respiratory and CPAP equipment, infusion pumps, mobility products, and medical/surgical handpieces

Dental

- > Leading supplier Dental Handpiece apps
- > Special retainer materials, silicon nitride balls, compliant lubricants, and autoclaveable designs

Motion and Flow Control

- > Serving manufacturers of sub-fractional and fractional DC motors, gearboxes and encoders, servo motors, synchros, and metering equipment
- > Extensive JIT inventory for any volume required

Semiconductor Capital Equipment

- > Major supplier to manufacturers of capital equipment
- > Applications from wafer cutting and handling to wafer washing and polishing (CMP)

Hobby

- > In-depth experience
- > Extensive inventory
- > Radio-controlled models, fishing reels, guides, in-line skates, skateboards, bicycle bearings
